

Daily Discussion

This week, kids learned in Mark 5:21-43, that a woman touched Jesus, and He felt the power go out of Him. At this same time, Jesus was actually on His way to help a church leader whose daughter was very sick. After the woman had touched Jesus, He learned the girl had died. When Jesus saw the people crying over the girl's death, He told them she was only sleeping. This made them laugh, but He still went and touched her hand and said a prayer.

And she got up! Children learned that there is power in a touch.
